

## IN BRIEF

### Cement Creek issues to be topic of meeting

The Animas River Stakeholders Group invites the community to join in a discussion on a collaborative approach for addressing mine drainage in Upper Cement Creek.

Representatives of Sunnyside Gold Corp, the U.S. Environmental Protection Agency, the Colorado Department of Public Health & Environment and the U.S. Bureau of Land Management will be present to participate in the discussion, answer questions and provide input regarding what each can contribute toward potential solutions.

The session is planned for Thursday, April 19 at 6:30 p.m. at Silverton Town Hall.

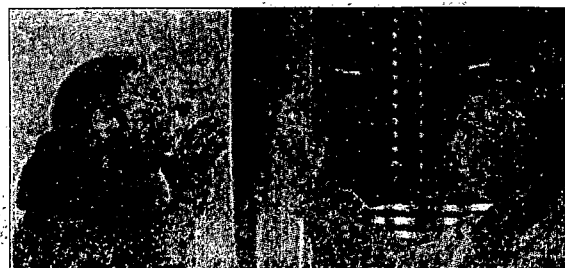

### Students to give tour of the Animas Trail project on April 20

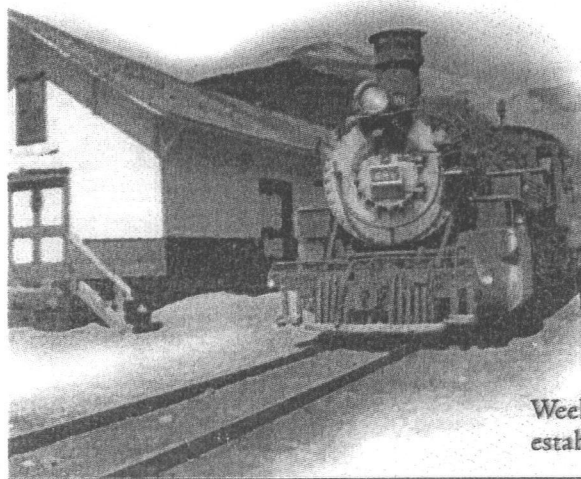

This year, the entire student

## PAPP ON TOWN
